**Vice President's Report:** None

**Treasurer's Report:**

There is \$3,548.67 in the account and \$5,616.09 in the CD at this time. At the spring trial we lost 502.11. This was almost equal to the judge's airfare. **Approved**

**Training Director's Report:**

- This weekend we will switch to summer hours in which we will start protection by 9:00 AM. Club tracking is this weekend.
- There will be a helper seminar in St Louis on August 16<sup>th</sup> & 17<sup>th</sup>. It is being hosted by the Spirit of St Louis club.
- Ann Dolan will be the judge for the fall trial.
- Regionals will be November 8<sup>th</sup> - 9<sup>th</sup> in McMinnville, TN.

**Committee Reports:**

- **Trial:** Jim has received the paperwork. We should have a good turnout as Ann Dolan is a very personable judge. Following the trial, we need to do a better job of getting something in the DVG magazine about the event. The trial applications need to be printed legibly. Too often they are not or they are not complete. Jim reminded everyone that the form can be filled out online and printed out. The form is on the DVG and our web site. **Approved**
- **Stewarding:** We will be doing it again this fall.

**New Member Vote:**

Jerol Skinner     Yea  
Henry Sowders   Yea  
Kim Weaver       Yea  
Kevin & Patti Dougherty   Nea

**Old Business:**

- **Email to Commissioner Miller:** The club was advised that Commissioner Miller received a email that was of a threatening nature. We were not made aware who sent the email. Bob stressed that he did not think that anyone from the club would do it but reminded everyone that any time they are sending anything on behalf of the club should be done in a professional manner.

**New Business:**

- Rulebooks: Because there was no mention of the printing of rulebooks in the national minutes, it was felt that if we do not have them prior to the next meeting, the club would be sure to put it on the agenda for nationals. The new rules are supposedly going to be very similar to the IPO rules.

**Adjourn:** Motion by Mike Rickman; second by Kathy Watson to adjourn at 8:29 PM. **Approved**
